Troop 667 is a scout-led troop where the boys decide, lead, and participate in their trips, activities, and service projects. We are a medium-sized troop founded in 1988 (31 years ago) where a scout learns leadership responsibility immediately. Our troop has an active outdoor program of monthly camping trips and special events (rock climbing, canoeing, and backpacking). A troop member develops a community service spirit and learns to work together in a team environment. The troop has 66 Eagle Scouts.

The regular meeting day is Monday 7PM at St. Timothy's Episcopal Church. All faiths are welcome. Some Mondays are devoted to troop meetings and the last meeting of the month is the boy-led Patrol Leaders Council for Youth Troop Leaders.

Court of Honor Awards Ceremonies recognizing Scout's advancement and achievements are scheduled 3 times per year. All parents, grandparents and siblings are encouraged to attend.

## IV. Troop Equipment & Supplies

When a Scout joins the troop he receives a troop neckerchief, troop number patch, green uniform epilates, and a troop T-shirt for free.

The troop supplies camping stoves, patrol boxes (cooking pots & utensils), patrol tables, lanterns, and coolers from our storage unit at St. Timothy's for camping trips.

The Scouts provide a uniform, personal gear, sleeping bag and pad, backpack or duffle bag, food, and camping essentials from the Scout handbook, and personal tent (or share with another Scout).

## V. Finances & Fundraising

The troop has various fundraising events year-round where Scouts can earn money for the troop and their personal Scout activity account. Scouts are responsible for \$70 dues for the year and can pay it in monthly installments or in one lump sum at the beginning of each Scouting year. The dues help pay for awards, patches, and Scout related items.
